In his petition dated 17.6.95 the petitioner represented that he had presented in February 1897 a petition regarding the levy of Survey assessment on his Inam in the Kogila village Bangalore taluk and Complained of its non-disposal.

As the Registers of this office showed that no such petition had been received the petitioner was informed accordingly.

(2). With his petition dated 8/5/99. The petitioner produced an alleged duplicate of his petition of 1897 and urged that his petition should be disposed of. He was thereupon asked to to adduce

pet'r's appeal may be
admitted

(4) As regards the merits, the
pet'r Complains that he
was not informed till now of the
resumption of the Inam in
question in 1879, that it is
inequitable to demand the
arrears for 17 years (from 1879-96)
and that the Inam was
not granted subject to
any Conditions.

The Inam Supt may be requested
to send a copy of the Inam
Register of enquiry and explain
why the fact of resumption
was not communicated either
to the revenue authorities or to
the pet'r for 17 years. The allegation
of the pet'r that the Inam is not-
a Shottram Inam is inconsistent
with another allegation in the same
petition that he applied for the
Concession shown as Shottram Inamdar's
under the Sett'l orders of 1892-93 (Sl No 182 in file)
in respect of this very Inam

Was it — Do not the Inam rules require notice being given to the inamdar when passing orders of resumption? 1/7/1901

Please refer to para 8 & 19 of the "course of Procedure" These do not make it obligatory on the Inam Supt to notify the order of resumption to the Inamdar; but had para 19 been followed

(1)

ie Had the resumption
been Communicated to
the Dy Comr in time,
the resumption would by
the Dy Comr have been
Communicated to the Naiwan
Para 19 of the Rules of
Procedure was not followed
& hence the Landships
involved in this case, as
admitted by the Naiwan Supdt
in his letter of 9/3/07.
In the present case however,
notice was served on the Naiwan
(vide copy of Naiwan Dept Sheet No 138).
asking him to plant fresh
trees in lieu of the trees missing
& the notice was not heeded,
the Naiwan was resumed.

by 2/7/07

I think it rather too

(Note [illegible])

The Supdt of Inam Settlements, with his letter dated 9-3-01, had forwarded copies of the Settlement Registers of the Inam in question and reported that the order of resumption in 1879 should have been, but was not communicated to the Talukdar & the petitioner (till 1896); and that the resumption of the Inam by Colonel Cole was strictly according to Rules. From the Registers it is clear that the Inam land Thammadanga, were granted in 1869 by the chief court for the support of an avenue containing 553 trees planted by Vellical ranging on the Road leading from Bangalore to Madras; that this was reported by the Amildar in 1879 that only 442 trees were in healthy condition; that 1 tree and one warmont and that the defi remaining 109 of trees namely 111 were not planted by the Inamdar

through Sigmatta's lines was granted in 1876 and that no watchman had been employed to take care of the avenue.

The Inam was according resumed in 1879

The Collector in his letter No 1773 dated 8.6.01 reports that only on 17.2.96 a requisition was received in his office from the Survey Supdt to the effect that the Inam land had been resumed in 1879 its full assessment namely Rs 23-8-0 should be recovered from that year; that the peti was then called upon to pay Rs 195-8-0; that the peti contended that the order of 1879 had not been carried out till then; held that the Inam was personal but not one granted for planting avenue trees; that the Collector ordered thereafter that peti could not question the validity

14.

I/ no scope for planting the III tree found to be wanting he has planted a "Sound top" of about 6 or 7 feet on the land reserved and there is also adjoining a "sound tope" planted by his father on both sides of the Bellary road from the junction of the road near Devanhally with Arati village. Fruition he has not been granted any man.

late to reopen the question of the validity of the claim after the lapse of time — though if the claim had been opposed & the claim settlement in time, he would probably have appealed. But it seems really hard that the Petr should be called upon to pay arrears ~~arrears~~ accrued before the communication of the order to him. It seems to be the least course to say that full assessment should be charged only since 1896 & if he pays up, the land may be restored on the same terms to the Petr.

The following facts are culled out from the Division Dufter Record:-

1) An order dated 9th July 1851 was issued to the Amildar, Devan-halli, to allow Sing-iengar to plant on the Bellary Road. No written order seems to have been issued

for planting on the Magadi Road.

ABSTRACT.

Shall not certain extent of land granted to petitioner in the Jungle Mahal Bangalore at the assessment of Rupees per acre, which petitioner agreed to pay, and which petitioner has duly paid, be confirmed and granted to petitioner absolutely, subject to the usual conditions, or shall the petitioner be compelled to relinquish the land granted to him, and which petitioner has improved and brought under cultivation, on the ground that petitioner has not complied with the conditions of the grant, viz., that petitioner should plant trees on the land granted to him, and should keep the trees in a flourishing condition, and should not cut down any trees on the land granted to him, except with the permission of the Deputy Commissioner of the District?

Confirmed that he has not been paid the additional land to Ministry Kaitaia for, [illegible] and Rights of land.

my brother Mr Venkat Rangiengar
was serving as Amildar in the
Ashta garam division and myself
was in Service elsewhere. These
two survey numbers were taken up
by outsiders, and a few numbers
retained by our ryots on our behalf.
These only stand in my late brother's
name in the Digavasandra village.

(3) During the famine of 1876-77 the
ryots who were kept on our lands
near Kogile village either died or
deserted and even the portion of the
land allotted as Jodi near this village
is lying waste since since and we are
paying the Government Jodi from
our pockets.

(4) Under the Government Notification* and Proceedings no: 2872-81 ent 18
dated 19.5.92 & * no: 125 dated 10 June/95
(copies attached for ready reference) I moved
the Survey authorities to confirm to me
the whole of the extent of land as granted

to

the lapse of so many years and
delayed correspondence between the
Taluk authorities and the Survey

that the Survey Superintendent has
on the 9th November last recommended
to the Government to confirm as godi
the lands in our occupation and
the grant of Government waste
lands attached to Agrahara
village of the Yelahanka Hobly to
make up the 12 Kandies of the
original grant.

(5) If this is granted, the Government
will see that we have been given
lands in pieces in 3 different places,
causing inconvenience for cultivation

of the grant entirely is frustrated -

MYSORE DEWAN'S OFFICE
PETITION DEPARTMENT
REG. NO. 2722 OF
DATE 31-1-96

Most respected Sir,

My father late Bindlay Sungeeah planted avenues on the Bellary and Madras Roads & also round Topes. Under the rules then in force, an award of godi land for those planted on the Madras road was recommended - Chief Commissioner L. Bowring Esquire in his letter no: 2348/58 dated 6th September 65 (copy attached) to the Kandidroog Division Superintendent sanctioned the grant of 12 Kandies of dry waste land in consideration of the planting of these avenues and of my father's long and faithful services to the Government.

Accordingly 2 Kandies of land was allotted in the village of Digavasandra of the Krishnarajpur Hobly and 4 Kandies in the Kogile village of the Yelahanka Hobly of the Bangalore Taluk in the name of my deceased brother Venkat Rangiengar subject to the payment of 12 Pagodas or about 36 Rupees as Jodi per year. My father, at a large cost, constructed tanks, brought ryots to settle in them, and improved the lands besides digging wells and planting topes on them.

(2) But during the Revenue Survey Settlement, the rates of assessment having been raised, the Survey authorities confirmed lands bearing 72 Rupees assessment as Jodi and brought the remaining lands under Khalsa. By this time my father was dead,

waste and Gomal lands adjoining
our lands at Dyavasandra
belonging to the villages of Krishna
Rajpura Diyavasandra & Hadi.
The former two villages are on
the northern side of the Madras
Railway and the lands I now
apply for are on its southern side,
and thus not very useful to those
villages - These are now mostly
grazed by your ryots. Under these
circumstances, I respectfully beg
that your honor will be pleased
to order the lands now under our
occupation to be at once conferred
to me as Jodi and to grant the
required additional lands in
the limits of the Krishnarajpura,
Diyavasandra and Hadi villages
adjoining

adjoining our lands. The land now in our name at the Kogile village may be resumed by Government.

I beg to remain

ABSTRACT

With reference to Govt Endt No. 3025 of 24-8-98 he submits a copy of his application to Govt made in the month of February 97 wherein he stated that, by Commissioners No 2345 Rev 58 dated 6-6-1868 his father Sabbaraya Pillay was granted Inam of 12 Cawnies of dry land, 8 Cawnies of which is in Devasandra village & the remaining 4 Cawnies is in Singhila village; that though there are well marked boundaries for these Cawnies a portion of them was resumed during the Survey settlement

of the above villages; that on applying to Govt, the mistake was rectified by Pro: No. 5730-2 / R.T. 295-92 dt 3-12-95, in the Devanahalli taluq; that when he applied for a similar correction in the Kaghida village, he was served with a notice from the Amildar, Bangalore N: in the year 1896, that he should pay Rs 195-8-a to Govt being the difference between the Survey assessment of the land which he was all along enjoying as Jodi & the amount of Jodi paid by him for the last 17 years, as the said land was resumed by the Inam dept in the year 1879, which order was informed to the Revenue Authorities in the year 1896, as seen from the Amildar's notice dt 7-8-96; that for the last 17 years this order was lying unknown to him & that the Commrs No. 12348 / Rev. 58 dt 6-9-65 was ignored by the Inam dept.

Prays that the above Inam lands may be given back to him & the amount of Rs 195-8-a be remitted.

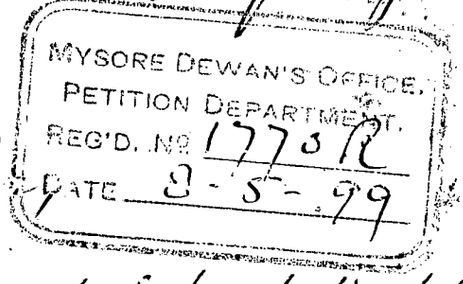
To,

The Secretary to Govern-
-ment of Mysore



Respected Sir,

I beg to Submit the follow-
-ing for favour of your obtaining
early and favourable orders of the
Government.

My late father Bakshy
Singeingar ab is well known to Govern-
-ment planted avenues and raised
Topes in many places - As a reward for
his long Service in this Government, they
granted to him as a special case an Inam
of 12 Candies of dry land in 1869 as per
Commissioner's No 4C 2348 dated 6th Sep-
-tember 1865 to the address of the Superintend-
-ent Nandidroog Division.
Rev. 58

This Inam was granted on Jodi
Tenure in two villages; 8 Candies in Dena-
-Sandra village and 4 candies in Koghila
village - Although these Lands have had

clear

[illegible] certain portion of the said [illegible] Inam Land has been reserved at the adjustment during the Settlement of these Villages by the Survey Department.

Subsequently, in Government Resolution order No 125 of 10th June 1891, I forwarded my case to the Government, wherein I prayed to grant me redress so far as the Devanadra village is concerned, vide their Proc: No 5130-2 dated 31 Dec 1895. R.F. 295-92

I made a further representation in the matter of the resumed Inam in the Koghila village and to my Surprise Sam, for the first time, served with a notice by the Collector of the Bangalore Taluk in Sept last directing me to remit good to Government the aggregate sum of Rs 195-8 a being the difference between the Survey assessment on the land, all along been enjoyed as Jodi Inam and the Jodi Phane continually been paying thereon, since the Survey Settlement, Period of 17 years; the reason for such a Resumption being the resumption of the Inam in full by order of the Inam Department in 1879, which order of resumption has for the first time been conveyed to the Revenue authorities in February, 1896. Through the Superintendent Revenue Survey, as Conduct

to

be observed from the Amildar's notice dated 7th August 1896.

This order of resumption has, for the last 17 years, been unknown to me and to Executive Revenue Officers as well.

The Government order for the grant of the Jodi runs thus:- "I am directed by the Commissioner to state that as a special case and in consideration of the long Service of Sinja Iyengar, 12 Candies of dry wasteland may be granted to him on Jodi Tenure in the village of Seegahalli of the Krishna Rajpur Taluk as proposed in your letter No 1526/45 dated 2nd September 1854."

This Inam is not therefore for rendering any Service. The Inam Superintendent may not have had an occasion to peruse this communication at the time of his settlement of these Inams and hence all the present inconveniences and irregularities.

Under the above circumstances I respectfully solicit the favour of the Government to order the Inam Department to revise this matter and decide the case in conformity with the Commissioner's letter No 4/2348/Rev 58 dated 6th September 1865 noted above.

In the matter of the Amildar's demand to me to make good Rs 195-8-a (the difference for 17 years past) I leave to the Government to consider into the propriety of the present demanding. I here take the liberty to mention that my late father spent a heavy

The inam having been settled by the Inam Department as Dharmadâya, it is not competent for the Deputy Commissioner to question its validity or propriety.

2. The Jodidar may appeal if he likes to the proper authorities against the resumption.

3. The requisition of the Inam Settlement Department to collect the arrears of the assessment from date of resumption

(2) should be complied with. If the Jodida is dissatisfied with the resumption, it is his business to get it cancelled by the proper authority.

4. From the resumed land in Kogile Village, he wants the tope and well to be separated by subdivision and this portion alone to be separately assessed and confirmed to him. This should be done by means of the Taluq Measures.

in the year 1879, its full assessment, namely Rs 23-8-0, should be recovered from that year (i.e. 1879). Accordingly, the petitioner was called upon to pay up the full assessment on it aggre-gating in all Rs 195-8-0. He a reply stated, that he could not be held responsible for the amoun as the order of resumption passed in 1879 was not carried out till 1896. He added that, since its grant the land lay fallow, as it was unfit for culti-vation. He further contended that, as the land was a personal inam, but not one granted for planting avenue trees, &c. it should not have been resumed. Thereupon, Mr. V. R. Narasimha Iyengar, the then Deputy Commissioner, ordered that the petitioner was not competent to question the validity or the propriety of the settlement made by the Inam Department, and that in acc-dance

with it, the assessment on the land should be collected by selling the land. It was accordingly sold on the 12th April 1898; but there were no bids, and so it was bought in by Government.

3. It is against the above order the present appeal is preferred.

Petition No. 168 of 1899-1900.

Appellant—Shadagopiengar, retired Head-quarter Inspector of Police, Bangalore.

Subject.

Appeal against the resumption of Survey No. 84 of Kogile village, Yelahanka hobli, Bangalore Taluk, by the Inam Department in 1879.

Facts of the case.

In September 1865 the Commissioner of Mysore (Mr. Bowring) granted under Commissioner's notification, dated 22nd July 1846, to Singiengar, late Anche Bakshi and father of the appellant, 12 kandis of dry waste land on jodi tenure for having planted 553 avenue trees between the 6th and 9th mile stones on the Bangalore-Madras road. At the Inam Settlement in July 1876, the Inam Superintendent confirmed to Venkatarangiengar, brother of the appellant, as Dharmadaya Inam, 8 kandis of dry land with a jodi of Rs. 23 in the village of Dyavasandra, Bangalore Taluk, and 4 kandis of dry land with a jodi of Rs. 12 in the village of Kogile in the same taluk, subject to the condition that 111 trees being the number found deficient should be planted within six months. On the default of the inamdar to comply with the above condition, even after the grant of an extension of time, the inam in Kogile village was resumed by the Inam Superintendent in July 1879; but the resumption was not communicated at once to either the Deputy Commissioner or the inamdar. In February 1896, the Survey Superintendent communicated the order of resumption to the Deputy Commissioner and requested that the arrears of the difference between the assessment and the jodi on Survey No. 84 (measuring 22 acres and 5 guntas and assessed at Rs. 23-8-0) might be collected. The appellant thereupon claimed that the inam was personal and not Dharmadaya and further represented that it was inequitable to collect the assessment of previous years, as he had had no notice of the resumption. The Deputy Commissioner declined to interfere with the Inam Settlement and directed the recovery of the arrears by coercive process. The land was accordingly brought to sale and as there were no bidders was bought in on behalf of Government for a nominal price. Hence this appeal to Government.

Decision.

It is clear from the records relating to the grants of the inam in 1865 that the grant was for the maintenance of 553 avenue trees on the Bangalore-Madras road. The claim of the appellant that the inam is a personal one cannot therefore be allowed.

2. The inam was resumed in 1879 on account of the failure of the grantee to plant the deficient number of trees. The Government apprehend that the inamdar's default in 1879 was due to the scarcity of labor and other abnormal circumstances at the time owing to the prevalence of famine in 1876-78 and are willing to grant the appellant one more chance. The land (Survey No. 84) will be restored to the appellant as a Dharmadaya Inam, on a jodi of Rs. 12 with the condition that the deficient number of trees (111) is made good within the next six months. The grant

being one made under the Rules published as Appendix G of the Land Revenue Rules of 1899 is further subject to the conditions prescribed in paras 7 and 8 of the Rules. The excess, if any, in the inam will be disposed of under the Standing Orders on the subject.
